

Welcome to the Theta Devas Newsletter Home of Australia's FIRST ThetaHealing™ Masters

The ThetaHealing™ World has shifted in a big way!!!

Congratulations to the 50+ ThetaHealing™ Masters who graduated from THInK with their ThetaHealing™ Certificate of Science. This means that they can teach all of the ThetaHealing™ Practitioner Courses including the new DNA 3 course. Pauline and Rae received their ThetaHealing™ Certificate of Science as well. Congratulations Girls!!! Having so many wonderful teachers spread across the world will now allow ThetaHealing™ to be more accessible to more people. Of course you can still visit Idaho Falls to take your courses or you can take them in a location close to you. This is one step closer to Vianna's vision of having a ThetaHealing™ Community that is able to work together and support each other.

This is also a working class so be prepared to work on your blocks.

Pre-requisites: Basic, Advanced & Intuitive Anatomy Practitioner's Courses.

Investment: 10 days (Mon—Fri) and \$2,000 AUD (inclusive of a \$250 deposit)

Belief Busters :

Download Discernment

Issue: When people do ThetaHealing™ on me do I have to take all of the downloads? Sometimes I don't agree with or understand what the person has said.

Answer: This is an interesting issue. So many people will just accept whatever downloads others want to give them with no real discernment. Let's give you another perspective: if a person was to put a plate of food in front of you and say that it is good for you, would you eat it, or would you use your discernment to either accept or refuse the food. The acceptance of downloads is exactly the same.

I once accepted the download to have Creator's definition of Depression which promptly put me back into depression. A very valuable lesson indeed.

"100 Reader Theory" :

Last month we discussed all the hype about the year 2012. As new movies and articles are released, more and more people are buying into the negative expectations of that year.

One of the Mayan elders recently spoke out saying that it is upsetting for him to receive letters from 4th grade children saying that they are too young to die. There are people out there that are blaming the Mayans for the "End of the World". Wouldn't it be nicer for us to send them unconditional love as well as the children who are concerned about their future. Lets be the change we want to see.
