

Welcome to the Theta Devas Newsletter Home of Australia's FIRST ThetaHealing™ Masters

Thank you Simon Rose and Theta Magic

As one of our many ThetaHealing™ Teachers, we thank Simon for all of the work and energy he has given to raising the profile of ThetaHealing™ in Australia over the last few years. Thank you Simon!

We would also like to take this opportunity to send Simon & Evette Rose our heartfelt best wishes for their newest adventure as they move their focus away from ThetaHealing™ and concentrate on their own healing modality.

ThetaHealing™ World Relations Course Postponed!!!

An amazing business opportunity has just presented itself to us, and as a result we have decided to postpone the start of our ThetaHealing™ World Relations Course World Tour until 18-22 May 09 in Brisbane. Thank you all for your understanding and for your support of our personal and business growth as we continue to raise the profile and vibration of ThetaHealing™ Globally.

ThetaHealing™ is an amazing healing technique that both Pauline & Rae fell in love with and continue to implement into their day to day lives.

Theta Devas continue to remain true to the teachings of Vianna Stibal and her modality ThetaHealing™ and promise to teach all ThetaHealing™ courses as per her directions. Vianna is constantly evolving ThetaHealing™ and we are committed to evolving with all new developments.

We invite you, to work with us as we guide and support you in your journey to Mastering ThetaHealing™ within your life. **Become a ThetaHealing™ Master** with **Australia's First ThetaHealing™ Masters** and join our ThetaHealing™ Global Community.

Belief Busters :

Belief: If I have Green Eyes do I need to cleanse my liver?

Busted: NO! If you have green flecks in your iris, then you may need to do a liver cleanse.

If you have green eyes, that is a natural eye colour and you join the ranks of people like Vianna Stibal. Have you looked in her eyes lately???

"100 Reader Theory" :

This month we ask you all to focus on: **"Living your Life in Happiness"**.
