

## Welcome to the Theta Devas Newsletter Home of Australia's FIRST ThetaHealing™ Masters

### Brisbane MindBodySpirit Festival

Theta Devas did a great job presenting ThetaHealing™ to the MBS crowd over the 3 days of the Festival. With hundreds of visitors to their stand the girls were kept very busy all weekend.

The visitors were all very supportive and very keen to know more about how ThetaHealing™ works and what it can do for them. The prize draw also attracted an abundance of entries (results are listed below).

The "Taste of ThetaHealing™" went very well with quite a few visitors opting for a quick ThetaHealing™ top up to help them to ground and re-energise themselves before continuing on their way around the Festival.

Pauline and Rae are real testament to the real power of ThetaHealing™, while other stall holders were being exhausted by the energy of the Festival, the girls kept the energy of their stand clean and kept downloading energy. This made a huge difference at the end of the day.

Congratulations to our Prize winners:

### The Real Power of the Mind

Do you know that our Conscious mind controls 10% of all that we do? Would it surprise you to know that our Unconscious Mind controls 50-60% of all that we do? And our Subconscious mind contains over 60,000 programs?

So how is that relevant to us? Well, as we only consciously control 10% of all we do, then who is really creating our reality? Our unconscious mind seems to be the one who has the most influence.

That is why ThetaHealing™ is such an invaluable tool to change our life. It is such a quick and drama free way to reprogram our subconscious mind. How important is this? Beliefs (Programs) influence our Mindset, which influence our Behaviours, which then influence our Results. To change your results you need to change your Beliefs. Learn ThetaHealing™ and you can do this very easily.

### Belief Busters :

**Belief:** I am confused, I see that some people call it Orian ThetaHealing™ and others call it ThetaHealing™, is it the same thing? Which one is better?

**True:** When Vianna Stibal first named her modality she called it Orian ThetaHealing™. After a while she then changed the name to ThetaHealing™. This is just an example of how much the modality has evolved since it started. When Teachers do their training with Vianna they are qualified as ThetaHealing™ Teachers, likewise we now have ThetaHealing™ Masters. The Orian part of the name is no longer used.

Another interesting note is that many people write ThetaHealing™ as two words, when in fact, it is only one word and it is always followed by a TM symbol.

In answer to the "who is better" part of your question, all I would say is that perhaps the people using the term ThetaHealing™ are more current with Vianna's teachings.

### "100 Reader Theory" :

This month we ask you all to focus on: Happiness, it is just a decision. You can have it anytime you want.

Opportunities for happiness are everywhere.

### Quote of the Month!

"When the door of Happiness closes, another opens; but we often look so long at the closed door that we do not see the one which has opened for us"  
Helen Keller
