What is so great about this book? Well it gives the reader an in depth guide to Belief, Feeling and Digging Work. There are also additional insights into The Planes of Existence and the Beliefs for physical, emotional, mental and spiritual evolution.

The Advanced ThetaHealing™ Book is the companion book to the Advanced ThetaHealing™ Practitioner's Course and will be given to all students who enroll in the course. (All past students who want the book will need to purchase the book at their own expense.)

With 34 pages dedicated to new downloads this book is well worth a read, for those wishing to continue their ThetaHealing™ journey this book will propel you forward. For those who aren't too sure, the book may help you to 'recalibrate' yourself back to the purity of the original teachings and the true concept of ThetaHealing™.

World Relations Course 31 August - 4 September 2009

The World Relations Course is a profoundly life changing Course. No matter what Country you live in you will have people of many different races, colours and creeds living in your community. But it doesn't stop there. When we mix in gender and Sexuality, we have a huge melting pot of humanity. The internet and modern media brings all of this into our homes whether we like it or not.

Many of us have prejudices and resentments that we have no awareness of that significantly affect our day to day lives.

The World Relations Course will help you to uncover your hidden prejudices and allow you to become a part of the greater Global Community.

ThetaHealing™ Bootcamp 12 - 19 September 2009

Theta Devas are offering a ThetaHealing™ 'Bootcamp' where you can do all of your "Basic" level courses (Basic and Advanced ThetaHealing™ Practitioner's Course plus Vianna's Manifesting and Abundance Course) and really hone in on your practitioner skills over eight continuous days.

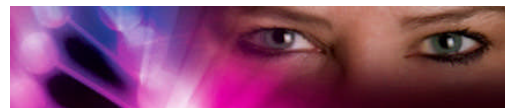

Graduates of the Bootcamp will have more confidence in promoting themselves as a ThetaHealing™ Practitioner. Attend all three courses or just come for the ones you want. Repeat course discounts are available.

Volume 8, Issue 1, August 2009 - Pg 1

Belief Busters :

Belief: I heard that there is a new technique for Digging. Is this true??

False: Vianna has been teaching the Digging technique the same way for a number of years. The belief that there is a new digging technique probably came from someone who read the Advanced ThetaHealing™ Book and gained some clarity on how Vianna digs.

Belief: I was told that the walking up to the Seventh Plane is better than the expanding out one. Which one is best??

True and False: Vianna teaches both Methods and they are mentioned in her ThetaHealing™ book on page 133.

The expanding out method will prepare you for DNA3 and allows you to be totally connected with "All That Is" at all times.

As for which method is best, that is entirely up to you and your preference. We prefer the expanding out one and get great results.

Remember it is merely an exercise to shift your consciousness out of yourself, not to leave your physical body.

"100 Reader Theory" :

This month we ask you all to focus on: **Global Economic Recovery**. Let's all focus on a good outcome and what we **really** want, rather than what we fear.

Belief of the Month!

Are you under anyone's spell??

After doing an enormous amount of work to complete and resolve oaths, vows, commitments, apprenticeships, internships, etc, I found that I was still under someone's spell. Check it out!

Reclaim your own personal power!!
