Volume 9, Issue 1, September 2009 - Pg 1

Theta Devas are going to Idaho Falls

Pauline and Rae are heading to Idaho Falls to complete the new teachers courses. This will mean that the girls will be able to teach all of the ThetaHealing™ Practitioner courses. This even includes the much anticipated DNA 3 course. This will give people in Australia more choices about where to do their courses and reduce the need to go over to the US, or wait for Vianna to come to Australia. ThetaHealing™ is evolving at an ever increasing rate and these courses will allow ThetaHealing™ Practitioners to offer their clients a very professional service. As Pauline would say "**Buckle up and hold on to your Aura!!**"

DNA 3 Course - 2-6 Nov 2009

DNA 3 finally makes its way to Australia. Pauline and Rae will be teaching their first DNA 3 course in North Brisbane on 2-6 November 2009. This amazing course will teach you how to master your reality & help you to recognise what is holding you back. It is a powerful course that will change the way you look at and interact with the world that we live in.

Pre-requisites: Basic, Advanced & Intuitive Anatomy Practitioner's Courses. The more classes completed will give you a better understanding and prepare you for this class.

* **Note:** in the DNA 3 course there is an alignment of the body's molecules. Rae and Pauline have just celebrated being in alignment for 250 days, so they will be able to guide their students through their transition with grace and ease, and in the highest and best way. Come and see what all the excitement is about.

Disease and Disorder Course - 16-27 Nov 09

As a Registered Nurse and Nurse Educator, Pauline was often frustrated with the restrictions of Modern medicine, and the way that the medical profession limits the healing ability of the human body. The Disease and Disorder Course is a great opportunity to discover the nature of disease and more importantly breakthrough limiting beliefs that hold you back as a practitioner. Do you fear certain diseases or disorders? Well, usually what you fear you can't treat or even see.

Rae and Pauline's passion for the human body and ThetaHealing™ will ensure that this course is one that you will remember for a long time to come.

Pre-requisites: Basic, Advanced & Intuitive Anatomy Practitioner's Courses.

* **Note:** If you are in the Brisbane area and you have a disease or disorder & you would like a healing or don't mind people scanning you, please contact Pauline at: Pauline@ThetaDevas.com to arrange a visit to the Disease and Disorder Course.

Belief Busters :

Belief: I have seen practitioners that roll their eyes and you can see the whites of their eyes. I have tried to do ThetaHealing™ this way but it hurts my eyes and gives me a headache. Am I doing it wrong?

True: Do you know that Vianna teaches ThetaHealing™ without eye flickering? When people are in a Theta Brainwave, the eyes flicker but they are only micro movements called REM (Rapid Eye Movement). ThetaHealing™ can be done without the exaggerated eye flickering and can even be done with your eyes open (test your beliefs). Rolling the eyes can actually cause eye damage and scare young children :) You should not suffer any negative effects from doing ThetaHealing™. Give ThetaHealing™ a go without flickering your eyes and see if that helps.

"100 Reader Theory" :

With all of the talk about the end of the Mayan Calendar and other theories about 2010 and 2012, it is easy to get caught up in the fear of the group consciousness. If we were all to concentrate our attention and energy on a smooth transition for us all, full of love and peace, surely we can make a huge difference in the world. Let's Do It!!!

DVD of the Month!

Race to Witch Mountain:

This movie is about 2 "Children" that need to get back home. The "tricks" that the children can do are in alignment with what is taught on the Rainbow Children's Course and DNA 3. The movie shows that there are abilities out there that we are only just starting to utilize. Have fun playing with some of the concepts in this movie. We LOVE it!

Monthly ThetaHealing™ THInK™ Webcast with Vianna

Everyone loves the THInK™ Webcasts:

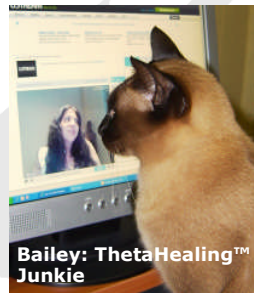

Month after month we dedicate this space to promoting the THInK™ webcast. We receive no kick backs from Vianna for doing this, so why do we do it? So that Practitioners have uninhibited access to Vianna and her knowledge. In the past Practitioners had to rely on their Teachers to convey Vianna's teachings to them. At times this information was infused with inaccuracies and left Practitioners confused or worse still disliking ThetaHealing™. This is a great opportunity to ask Vianna directly anything that you need to and clarify any doubts that you may have.
